⁸ Pixel 4a works on major carrier networks. In the US, Pixel 4a is compatible with all GSM-based networks and CDMA-based networks. See your carrier for details.

⁹ Speeds represent peak theoretical throughput.

¹⁰ Select markets. See your carrier for details.

¹¹ English only. See [g.co/pixelassistant/languages](https://store.google.com/us/product/pixel_4a_specs) for country and language availability and Google Account requirements. For available Google Lens languages go to [g.co/help/lens](https://store.google.com/us/product/pixel_4a_specs). Some Lens features require an internet connection.

¹² Android version updates for at least 3 years from when the device first became available on the Google Store in the U.S. See [g.co/pixel/updates](https://store.google.com/us/product/pixel_4a_specs) for details.

^Δ Trade-in values vary based on condition, year, and configuration of your trade-in device, and are subject to change upon inspection. Credit card refund only available if a Pixel phone is purchased on that card. Phone trade-in value depends on the eligibility of the phone traded in. Phone trade-in credit will be issued as a refund back on the credit card used for the phone purchase at Google Store or in the form of Store Credit if the purchased phone has already been returned. Refund is based on (and paid after) phone received matching the description provided at time of estimate and will be issued to form of payment used for order. Phones sent for trade-in must be received within 30 days of initiation of trade-in process, provided the purchased device has not been returned during that time. Additional trade-in terms are located here: https://store.google.com/intl/en-US_us/about/device-terms.html. Additional store credit terms are located here: https://store.google.com/intl/en-US_us/about/device-terms.html

[†] To qualify for free shipping at the lowest cost, your order total must be at least \$35 before estimated taxes and after any discounts are applied. Separate, multiple orders cannot be combined to total \$35 or more to receive free shipping. [Learn more](#)

date each month, the monthly payment (adjusted for taxes, shipping and any other items purchased in the same sales transaction) should allow you to pay off the phone purchase within the number of months advertised if this balance is the only balance on your account during that time period. If you have other balances on your account, this monthly payment will be added to the monthly payment applicable to those balances. For new accounts: Phone purchases (any transaction that includes a phone) APR is 0.00%. All other (regular) purchase APR is 29.99%. Minimum interest charge is \$2.00. APRs are accurate as of 08/01/20. Subject to credit approval.
